Powder Coat Finish Warranty

Every BILCO product is designed to operate to the customer's satisfaction and to provide years of trouble-free service. The factory applied powder coat paint finish on BILCO roof hatches, smoke vents, and floor/vault sidewalk doors carries a **one-year warranty** against flaking, peeling, or blistering under normal conditions. This warranty excludes damage caused during the product installation process or resulting from falling objects, scratching, abrading, or misuse or abuse of the product in any way.
